

Required Scores for CDM

Required scores for students on Phase I assessments for CDM:

For EOCs, students must achieve a **Level 5** at the following scale scores exhibiting a superior understanding to qualify for the Phase II artifact development:

NC Math 1 \geq 563

NC Math 3 \geq 563

Biology \geq greater than 261

English II - TBD pending re-norming of EOC scores

For non-EOCs, students must score a **90** or higher to qualify for the Phase II artifact development.

For CTE post-assessments, students must scale score of **90** or higher to qualify for the Phase II artifact development.
