# Superintendent's Budget Message

As I reflect on the challenges that Duplin County Schools overcame over the past year, I feel inspired to begin planning for the 2021-22 school year. My inspiration comes from the fact that I know we will once again meet any challenge that comes our way!

When schools closed this past spring due to the COVID-19 pandemic, our principals, cabinet, faculty and staff across the district responded in a phenomenal way to quickly transition students to remote learning. Our initial pandemic response was focused on community outreach efforts to provide each student with mental and physical resources they needed during this unprecedented time. As we learned more about the virus, we continued to adjust our response with the goal of bringing students back to the classrooms as safely and quickly as possible. As of March 22, 2021, we met this goal with all students returning to the classroom for the first time in nearly a year!

Our budget priorities for 2021-22 are focused on ensuring our students continue to learn and grow. We have requested only what we need from the county to cover fixed cost increases in local budgets and state dollar allotments to maintain our existing core instructional and operational programs. Significant cuts are not expected in either our state or federal programs this year. We anticipate receiving a significant amount of federal pandemic funding over the next three years. Our district priorities for the use of the additional funding include intensive student academic recovery, health and safety of students and staff, mental health and social emotional learning, digital learning and technology, and facilities and maintenance improvements needed as a result of the pandemic.

The budget presented for your consideration aligns with Duplin County Schools' mission to work collaboratively with the community to prepare all students for career, college, and life success. I believe wholeheartedly that each one of our children can achieve their dreams, and look forward to celebrating their successes in the year ahead.

Your humble servant,

Austin Obasohan

#### Duplin County Schools anticipates receiving \$103.3 million in total revenues for the 2021-2022 school year.

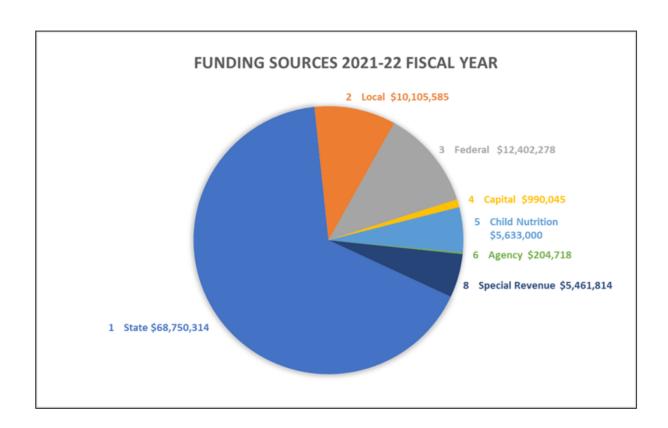

\$91.2 million, or 88% of our funding, will come from state, federal, and local sources. This equates to \$9,557 per student. These funds are used to support districtwide instructional programs, operations, and administration.

- State Public School Fund = \$68.8 million (\$7,200 per student) = 67% of our funding comes from the State of North Carolina. Generated
  primarily from state income and sales taxes. Intended to adequately support basic instructional programs for North Carolina's public
  schools.
- Local Funds = \$10.1 million (\$1,058 per student) = 10% of our funding comes from Duplin County and other local revenues, primarily
  from local property and sales taxes. This fund supports local school building maintenance and operations, and supplements state
  support for instructional programs.
- Federal Grants Fund = \$12.4 million (\$1,299 per student) = 12% of our funding comes from Federal grants. Primarily provides additional support for students with special needs and schools with a high proportion of children from low-income families.

\$12.1 million, or 12% of our funding, will come from special revenue sources. This equates to \$1,266 per student. Special revenue sources are restricted for specific purposes.

Capital Fund = \$990 thousand (\$104 per student) = 1% of our funding is allocated by Duplin County for specific expenses related to
capital outlay. Capital funding consists primarily of local general obligation bond proceeds, local annual operations and maintenance
appropriations, and state lottery proceeds. By North Carolina law, counties are charged with building, equipping, and maintaining
school facilities. Capital outlay funds are used to maintain existing facilities in a state of good repair, construct and remodel school
buildings, and obtain equipment.

- Child Nutrition Fund = \$5.6 million (\$590 per student) = 5% of our funding comes primarily from the United States Department of
  Agriculture grants, local sales receipts for school meals, and state reimbursements for meals. These funds are used exclusively to
  provide meal service.
- Grants and other Special Revenues = \$5.5 million (\$572 per student) = 5% of our funding comes from several state, federal, and local
  grant funds including Pre-K funding. These funds must be expended only on specified programs and cannot be expended on general
  instructional programs.

## **COVID-19 Pandemic Relief Funding**

Pandemic response will continue to be significant in the upcoming year. Duplin County Schools' pandemic response is focused on outreach efforts to provide each student with both mental and physical resources they need during this unprecedented time.

#### State Funding

 State Coronavirus Relief Funds (CRF) totaling \$2.73 million were spent by December 30, 2020 on computer software for curriculum and enhanced security, child nutrition meal supplies, instructional materials, PPE, cleaning and sanitation supplies, computers and internet hot spots, and salaries related to emergency response activities.

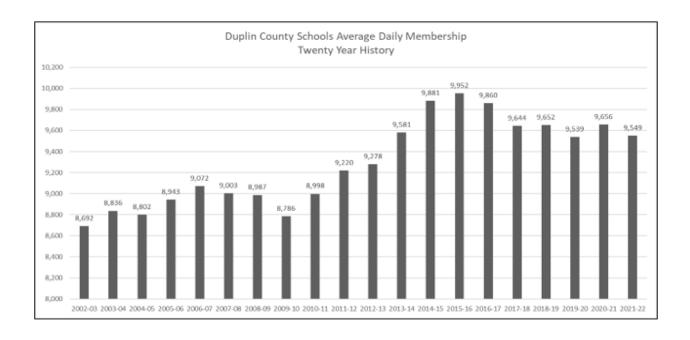

#### Federal Funding

- DCS received \$3 million in Federal ESSER CARES Act funds in March 2020. By the end of the current school year, \$1M (34%) of the total
  allotment will have been be spent on computers, PPE, cleaning and sanitation supplies, and salaries for additional Interpreters,
  Custodians, and additional Instructional personnel required as part of our pandemic response. The remaining \$2M must be spent by
  September 30, 2022.
- \$11.7 million in Federal ESSER II CRRSA Act funds is expected between now and January 2022 and must be spent by September 30, 2023.
   This funding will support instructional and facility requirements for maintaining safe schools, summer learning and remediation, and other critical responses to operating schools during a pandemic.
- Estimated \$21 million in Federal American Recovery Act funding is anticipated in 2021-22 and must be spent by September 30, 2024.
   This funding will be used to address student learning losses, instructional and facility requirements for maintaining safe schools, and other critical responses to operating schools during a pandemic.

## **Average Daily Membership**

Duplin County Schools' Average Daily Membership (ADM) is an annualized measure of how many students, on average, are enrolled in school each day. Since 2002-03, DCS's ADM has grown from 8,692 to 9,656 students in 2020-21. We project a decrease in ADM of 107 students in the upcoming 2021-2022 school year. ADM is important to the budget because many of our funding sources are calculated based on ADM.

### **Budget Terminology**

Duplin County Schools uses a standardized chart of accounts to ensure all revenues and expenditures are properly tracked and reported. The chart of accounts is used to create budget codes, which are a series of numbers divided into specifically defined segments. Budget codes are assigned to every revenue and expense. The first four budget code segments are as follows:

**Fund:** Financial accounting group used to account for all revenues and expenses appropriated from a primary funding source. Duplin County Schools' budget is comprised of the following funds.

- 1 State Public School Fund
- 2 Local Current Expense Fund
- 3 Federal Grants Fund
- 4 Capital Outlay Fund
- 5 Child Nutrition Fund
- 6 Agency Fund
- 8 Grants and Other Special Revenues Fund

**Purpose:** The reason for which something exists or is used. The Purpose includes the activities or actions that are performed in accomplishment of the program objective. The following are examples of expense purposes.

- 5000 Instructional Programs
- 6000 Supporting Services
- 7000 Community Services
- 8000 Non-Programmed Charges
- 9000 Capital Outlay

PRC: A plan of activities or funding designed to accomplish a predetermined objective. The overall budget for each Fund is broken down into smaller program code (PRCs) budgets based on the cost objective of each program. The following are examples of PRCs found within each Fund.

001 Classroom Teachers

032 Exceptional Children

013 Vocational Education

027 Teacher Assistants

801 Maintenance

Object: The service or commodity obtained as a result of a specific expenditure. There are five major categories of objects.

100 Salaries

200 Employer Paid Benefits

300 Purchased Services

400 Supplies and Materials

500 Capital Outlay

#### **Budget Code Example:**

Fund 1 = State Fund
Purpose 5110 = Regular Instructional
Program 001 = Classroom Teacher
Object 121 = Teacher Salary

Therefore, Budget Code 1.5110.001.121 = State Funded Regular Teacher Salary
