

<b>Duplin County Schools (310)</b>		G.S. §115C-83.10 requires "each local board of education to publish annually on a Web site maintained by that local school administrative unit and report in writing to the State Board of Education (SBE) by <b>September 1</b> of each year the following information on the prior school year:"

		<b>(denominator)</b>		
<b>The denominator for calculating the required percentages for rows 1-4 is all students in membership at grades 1-2 for EOY TRC assessments.</b>				
1	The number and percentage of <b>first-grade</b> students demonstrating reading comprehension at grade level.	746	322	43.2%
2	The number and percentage of <b>first-grade</b> students <u>not</u> demonstrating reading comprehension at grade level.		424	56.8%
3	The number and percentage of <b>second-grade</b> students demonstrating reading comprehension at grade level.	717	371	51.7%
4	The number and percentage of <b>second-grade</b> students <u>not</u> demonstrating reading comprehension at grade level.		346	48.3%

Note: Privacy policies dictate that any group with less than 10 students, the specific number and percentage should not be given. Therefore, if the number is less than 10 students, schools should use an asterisk (\*) to represent less than 10 students and the percentages. An \* indicates that the student population number and percentage is too small to report the value. The percentage and number of students are not shown if the percentage is greater than 95 percent (>95) or less than 5 percent (<5).
