High School Courses in Middle School Request Form

The course offerings and criteria for students taking high school courses in middle school were made taking into consideration multiple factors and educational perspectives in the best interest of all students. However, in rare cases, there could be the need for a student to participate in a high school course in middle school outside of the current course offerings, criteria and/or time frame. Please complete the following information if you/your student seek(s) an opportunity not listed in the Middle School Advanced Courses Guide.

Student Full Name _____ Current Grade Level _____

Please list the course(s) the student would like to take and when:

Course	When
_____	_____
