Face to Face High School Course in Middle School Request Form

Middle school students in seventh or eighth grade who demonstrate readiness shall be granted the opportunity to take high school courses. These courses will primarily be offered online through North Carolina Virtual Public Schools (NCVPS). However, in some cases, the number of students registering for a course could warrant a face to face class at an elementary school. Please complete the following information if you seek to offer a face to face high school course. A Duplin County Schools Curriculum Review Team will consider your request.

Date: _____

School Year: _____

School Name: _____ High School Course: _____

Number of students who meet the criteria and are registering for the course: _____

Number of students enrolled in each of the other sections of that subject in that grade level:

Name of teacher who will be teaching the face to face course: _____

Please list the student ID numbers for the students who are registering for the high school course.
