

Duplin County Schools

Media Use and Release Permission Form

Duplin County Schools use student photographs, video, art or written work, and voice recordings for many purposes. Schools are encouraged to promote student, schools and district achievements in many different media formats.

Internally, these materials may appear in print, on our Web site (as photos, videos and/or podcasts), and/or in presentations. The news media—both print and online—may use them in school-related news coverage, in productions aired on television and/or the Web, or in similar forms of communication/media.

The form allows you as a parent/guardian or adult to choose whether or not you/your child or their work may appear in any of these various media formats and illustrations used by Duplin County Schools or the news media.

PLEASE CHOOSE ONE:

- I give permission to Duplin County Schools and/or the news media to make photographs, video, and/or illustrations or any work of my child. Further, I authorize their use without inspecting or approving the finished product or its specific use.
 - I am over 18 years of age and I give permission to Duplin County Schools and/or the news media to use my work, make photographs, video, and/or illustrations of me. I give my consent to use the images as described above.
 - I DO NOT give permission for me/my child to be included in any media whatsoever.
